www.globalresearchconference.com

The International Conference on Global Business and Emerging Challenges in Management, Humanities, Law, Science, and Technology – 2026 will gather top minds from academia, industry, and policy to explore multidisciplinary solutions for today's global business and societal challenges.

This event will provide a platform to exchange ideas, foster collaborations, and address pressing issues in a rapidly evolving world. The discussions will span across critical sectors, including:

- Global business trends and emerging challenges
- Innovations in management, humanities, law, science, and technology
- Interdisciplinary approaches to societal challenges
- Sustainable development and future strategies

We welcome experts, scholars, professionals, and policymakers to contribute their valuable perspectives and drive the dialogue on shaping the future.

Why Attend?

- Engage with global leaders and experts across various fields
- Share insights and innovative solutions to contemporary challenges
- Network with peers, industry professionals, and policymakers
- Explore cross-disciplinary collaborations for sustainable development

Key Topics:

- Emerging trends in global business and management
- Innovations in technology, law, and humanities
- Strategies for sustainable development and growth
- Multidisciplinary approaches to solving societal challenges

Join Us!

Your insights and participation would significantly enhance the depth and breadth of the conversations at this prestigious event. We invite you to be a part of this transformative conference and contribute to global solutions. For registration and further details, please visit www.globalresearchconference.com or contact us at globalresearchconference@gmail.com. Kindly confirm your participation at the earliest to secure your place at this landmark conference.

Abstract Requirements:

- Abstracts must be written in English.
- Research design/methodology
- The abstract text must be written in one continuous paragraph not longer than 300 words. Numbered list, bullet points or tables are strictly prohibited.
- Any conclusion/interpretations/discussions that could be drawn out from the result of the study

The body of the abstract must contain the following information:

- Objective/purpose/rationale of the study
- Research design/methodology
- Overview of findings/trends (expected or preliminary results if the research is still in progress)
- To maintain impartiality and avoid any bias, authors are encouraged to not use any honorifics or rank such as Dr and Professor when referring to themselves in the document.

Presentation Requirements:

- All presentations must be done in English.
 - Oral Presentations: Each presenter shall be given 10 minutes for presentation. An additional 5 minutes will be added for Q&A which will be moderated by the session chair
-

For the benefit of the audience the presentation should at least cover the following area:

- The objective/purpose/rationale of the study
- Background/overview of the topic
- Theoretical framework
- Research design and methodology
- Overview of findings and results
- Conclusion/Discussion

Full Paper:

- Full papers must be uploaded in MS Word format.
- Papers must not be more than 15 pages long. This is inclusive of all text, tables, figures, and any appendices. A fee of USD25 per page will be imposed for each additional page beyond this limit. A separate invoice will be issued to the author if this limit has been exceeded.
- The author will be notified via email if his/her paper has been accepted. Acceptance notifications will normally come with suggestions and remarks from the paper's reviewer.
- Presenters may opt to NOT publish their papers in the conference proceedings. If this is the case, please inform the conference secretariat of your intentions as early as possible to prevent any issues after the official publication of the proceedings.

Publication:

Selection of articles will be based on a number of factors including, among other things, quality of research, originality, and style. Selected papers may be required to undergo further review and editing before actual publication in selected Journals.

Submit abstract/Full Paper via email at : globalresearchconference@gmail.com
