SYNERGY 2026

SYNERGY 2026 brings together academicians, researchers, professionals, industry experts, and students from multiple disciplines to engage in meaningful dialogue and collaboration. The event focuses on interdisciplinary integration as a pathway to solve complex global challenges and drive sustainable innovation across sectors.

This two-day event fosters global collaboration, knowledge-sharing, and networking across Business, Humanities, Law, Criminal Justice, Science, Engineering, and Communication Technology.

About University of Batangas

The University of Batangas, located along Governor Feliciano Leviste Road in Lipa City, Philippines, is a premier private institution of higher education known for its commitment to academic excellence, ethical leadership, and community service. With a proud legacy spanning decades, the university offers a wide range of undergraduate and graduate programs across diverse disciplines including Business, Engineering, Education, Law, Information Technology, and the Arts.

About The University of Perpetual Help System DALTA

**University of Perpetual
Help System DALTA**
Calamba, Laguna, Philippines

The University of Perpetual Help System DALTA is a distinguished private higher education institution committed to academic excellence, research, innovation, and character formation. Located in Calamba City, Laguna, Philippines, the University provides quality education through diverse undergraduate and graduate programs, modern learning facilities, and industry-oriented training. Guided by its motto, "Character Building is Nation Building," the institution nurtures competent professionals, ethical leaders, and globally competitive graduates dedicated to serving society and contributing to national development.

About Himalayan University

The Himalayan University is a leading multidisciplinary institution of higher education located in Itanagar, Arunachal Pradesh, India. Established with a vision to provide quality education and promote excellence in teaching, research, innovation, and community engagement, the University offers a wide range of undergraduate, postgraduate, diploma, and doctoral programs across diverse disciplines. Recognized by statutory bodies including UGC and other professional councils, Himalayan University is committed to fostering academic excellence, skill development, entrepreneurship, and holistic student growth while contributing to the socio-economic development of the North-Eastern region and the nation.

GLOBAL RESEARCH CONFERENCE FORUM

The Global Research Conference Forum (GRCF) is an international academic platform committed to advancing multidisciplinary research, fostering global academic collaboration, and promoting innovation through high-impact conferences, workshops, and publications. Headquartered in India, GRCF has collaborated with esteemed universities and institutions across Asia, the Middle East, and Europe, organizing events that bring together scholars, professionals, and students from diverse domains.

About Researcher Connect

Researcher Connect Innovation and Impact Private Limited (RCII Pvt. Ltd.) is a global organization committed to advancing research, innovation, and academic excellence. Through conferences, publications, training programs, and international collaborations, RCII connects researchers, academicians, industry professionals, and students to foster knowledge sharing and create meaningful societal impact. Its mission is to promote innovation, research excellence, and sustainable development worldwide.

Looking forward to welcoming you to the Philippines!!!

With Sincere thanks
Philippines International Conference Team

The International Conference on Global Business and Emerging Challenges in Management, Humanities, Law, Science, and Technology - 2025 2026 will gather top minds from academia, industry, and policy to explore multidisciplinary solutions for today's global business and societal challenges.

This event will provide a platform to exchange ideas, foster collaborations, and address pressing issues in a rapidly evolving world. The discussions will span across critical sectors, including:

- Global business trends and emerging challenges
- Innovations in management, humanities, law, science, and technology
- Interdisciplinary approaches to societal challenges
- Sustainable development and future strategies

We welcome experts, scholars, professionals, and policymakers to contribute their valuable perspectives and drive the dialogue on shaping the future.

Why Attend?

- Engage with global leaders and experts across various fields
- Share insights and innovative solutions to contemporary challenges
- Network with peers, industry professionals, and policymakers
- Explore cross-disciplinary collaborations for sustainable development

Key Topics:

- Emerging trends in global business and management
- Innovations in technology, law, and humanities
- Strategies for sustainable development and growth
- Multidisciplinary approaches to solving societal challenges

Join Us!

Your insights and participation would significantly enhance the depth and breadth of the conversations at this prestigious event. We invite you to be a part of this transformative conference and contribute to global solutions.

Library Science			

Abstract Requirements:

- Abstracts must be written in English.
- Research design/methodology
- The abstract text must be written in one continuous paragraph not longer than 300 words. Numbered list, bullet points or tables are strictly prohibited.
- Any conclusion/interpretations/discussions that could be drawn out from the result of the study

The body of the abstract must contain the following information:

- Objective/purpose/rationale of the study
- Research design/methodology
- Overview of findings/trends (expected or preliminary results if the research is still in progress)
- To maintain impartiality and avoid any biases, authors are encouraged to not use any honorifics or rank such as Dr and Professor when referring to themselves in the document.

Presentation Requirements:

- All presentations must be done in English.
 - Oral Presentations: Each presenter shall be given 10 minutes for presentation. An additional 5 minutes will be added for Q&A which will be moderated by the session chair
-

For the benefit of the audience the presentation should at least cover the following area:

- The objective/purpose/rationale of the study
- Background/overview of the topic
- Theoretical framework
- Research design and methodology
- Overview of findings and results
- Conclusion/Discussion

Full Paper:

- Full papers must be uploaded in MS Word format.
- Papers must not be more than 15 pages long. This is inclusive of all text, tables, figures, and any appendices. A fee of USD25 per page will be imposed for each additional page beyond this limit. A separate invoice will be issued to the author if this limit has been exceeded.
- The author will be notified via email if his/her paper has been accepted. Acceptance notifications will normally come with suggestions and remarks from the paper's reviewer.
- Presenters may opt to NOT publish their papers in the conference proceedings. If this is the case, please inform the conference secretariat of your intentions as early as possible to prevent any issues after the official publication of the proceedings.

Publication:

Selection of articles will be based on a number of factors including, among other things, quality of research, originality, and style. Selected papers may be required to undergo further review and editing before actual publication in selected Journals.

Submit abstract/Full Paper via email at: globalresearchconference@gmail.com
